

2017 Fall Workshops ~ October 21 & October 28 ~ PLUS a Challenge

Vickie Ayers SNS, WSNA Vice President

Once again WSNA will be holding four fall workshops, one in each of our four regions! Seattle School District is hosting the workshop in Northwest Region 1 on October 21, tentatively at Ballard High School. The Tacoma School District will host in West Region 2 at Mt. Tahoma High School on October 28. On the east side, the Southwest Region 3 workshop will be in Yakima on October 21 (location to be determined); and the East Region 4 workshop will be in Spokane on October 28, tentatively at Shadle Park High School. Watch for more details on washingtonsna.org and in the fall edition of the *Apple Press*.

Fall workshops provide an opportunity to earn those required CEU's, refresh your knowledge, collaborate with your colleagues, make new friends and have a little fun! Many new school foodservice staff are hired at the beginning of every school year; what a wonderful opportunity for these folks to see what we are all about. ***I challenge our school food service veterans to bring a school food service first-timer to one of our workshops*** – participants will be recognized in the *Apple Press*, photo op included, and will be entered to win a registration for a future workshop. A pair of registrations will be awarded at each of the four workshops - one for the veteran and one for the first-timer.
